

My time in Peru

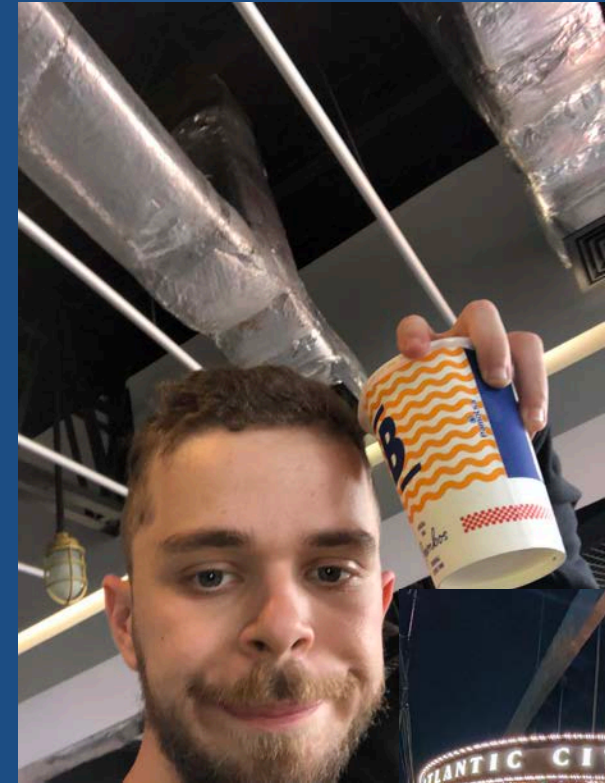

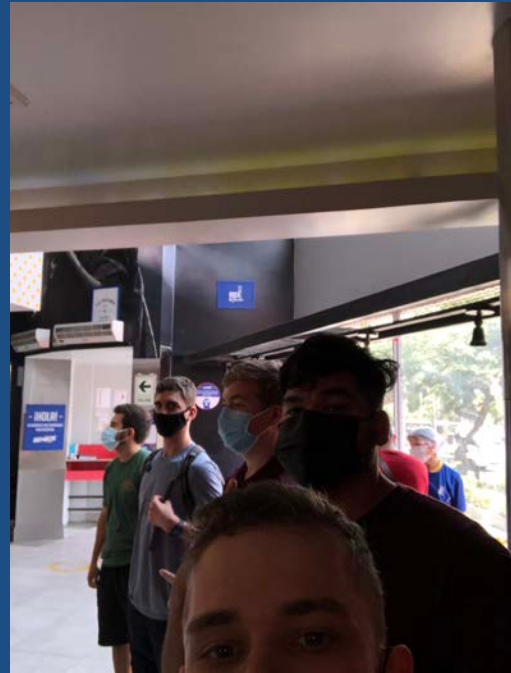

Jack Miller

The first few days we did a lot of walking...

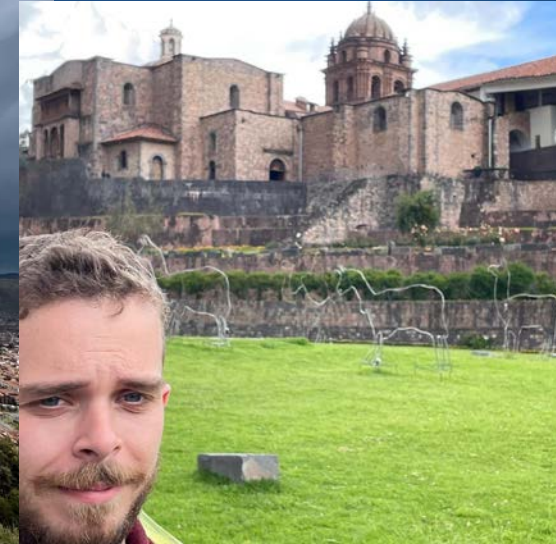

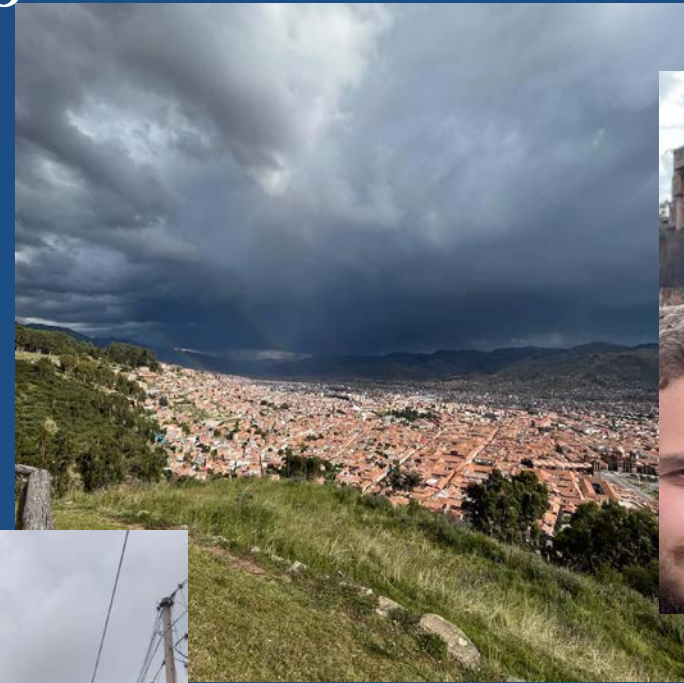

And celebrated my birthday! (Tried Bembos, Inca Cola, and went to Atlantic City)

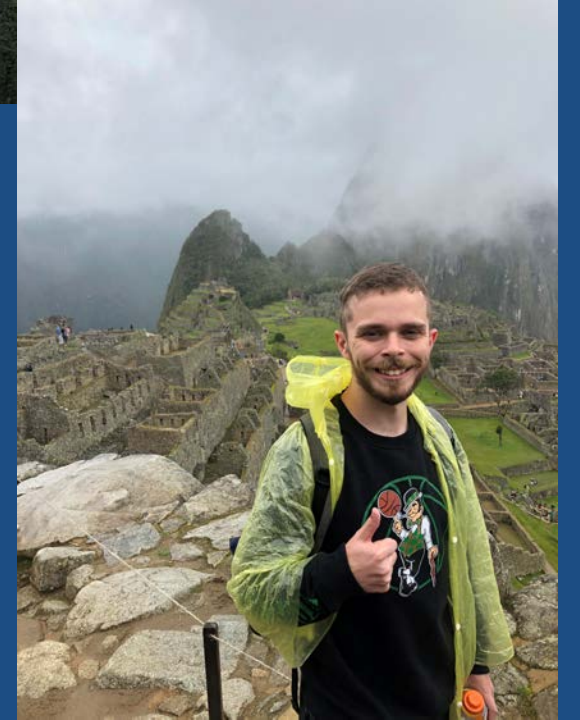

Went on a little hike with the lads...

And then came time for Cusco

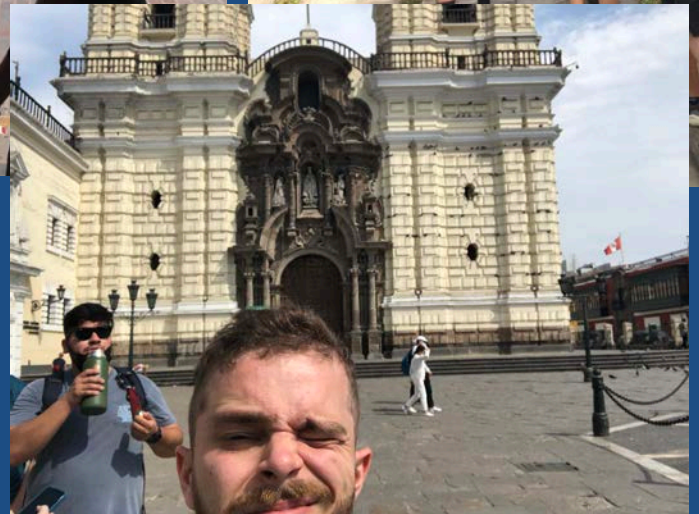

And Machu Pichu!

And before we left we went to Haucachina and Paracas

I didn't get pictures of much else..but here are random ones!

Thank you Paco!! I had an incredible experience and I made so many great memories!
