Ceviche making and food appreciation

La Rosa Nautica

Paracas!!!

What I learned:

- Peru definitely has some of the best food I've ever had (and I live in Houston!)
- Peruvians love their Bougainvillea flowers
- Don't go to the beach on New Year's Day; it will be packed
- Arc-GIS is one of the coolest programs I've gotten to learn and I am going to continue learning it
- Pre-Incan and Incan pottery is amazing and the way they kept records is so impressive
- Machu Picchu will continue to be on my bucket list, but now I have even more reason to return to Peru!
