Reflection

Having the privilege of going on a study abroad as unique as this one has been one of the highlights of my college career. I have had the opportunity to delve into a rich culture and share so many experiences that will be with me for the rest of my life. There were so many moments on this trip where I just had to pause and appreciate the vastness of what we were a part of. It was quite the adventure, and I'm so thankful for my time in Peru.

Thank you!
