

A stylized illustration of a mountain town in Peru. The town is built on a steep, green hillside, with buildings rendered in white and black outlines. The background features a large, green mountain peak and a blue sky with a few white clouds. The overall style is graphic and modern.

# Peru Study Abroad Winter 2023

Caitlyn Jennings

# Lima

# The perfect place to walk a half marathon everyday...

# Beautiful Miraflores

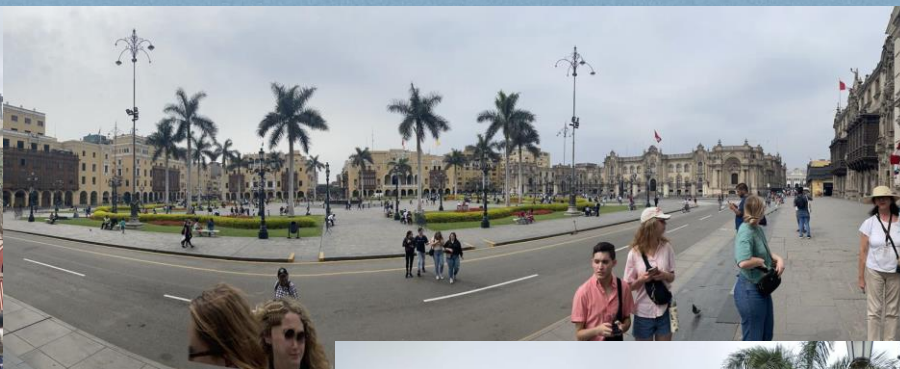

# Bohemian Barranco

# Historic Downtown

# Paracas

# Getting Drenched with Sea Lions

# Getting Sandy with Desert Dog

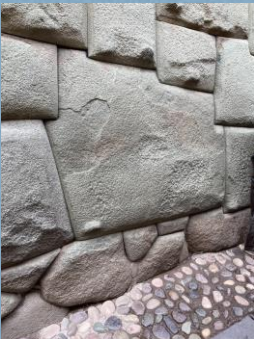

# Cusco

# The Incas were better engineers than us...

**Alpacas like to eat...**

**And they're super soft...**

**But guinea pigs taste better**

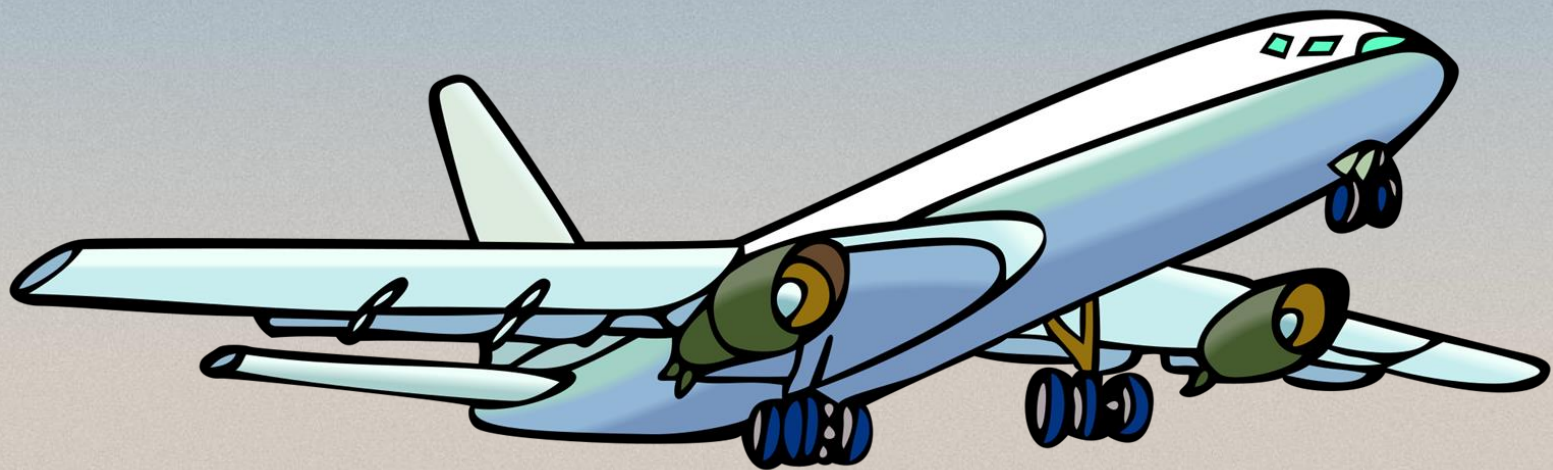

# Not much oxygen

But so beautiful it will take your breath away anyway

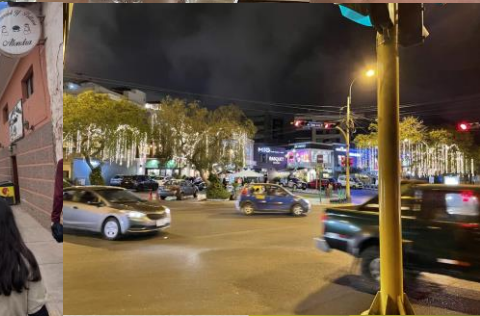

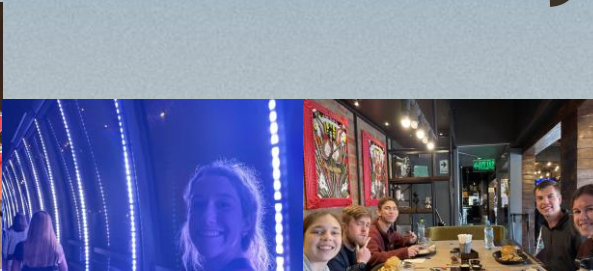

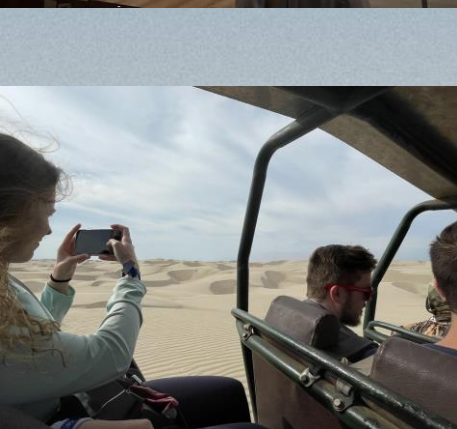

# Final Thoughts

# Peru is a fundamentally different and beautifully diverse country

# There was more coffee than I could handle

We couldn't go hungry...

I met some **INCREDIBLE** people

# We learned a lot of important lessons

- Like good food can cost \$4,
- Class is better with coffee breaks,
- A lot of people don't speak English, so learn some Spanish,
- Be thankful for your tap water,
- Don't underestimate the power of coca,
- And absorb as much as you can!

➤ A lot of people don't speak English, so learn some Spanish,

➤ Be thankful for your tap water,

➤ Don't underestimate the power of coca,

➤ And absorb as much as you can!

**And we need a  
reunion at Machu  
Picchu...**

**Thanks!**
