

FRANCE CVEN 311

PARIS

Always walked by the Eiffel tower and was amazed by it everytime, got to tour Versailles palace and gardens, and ran into a bread festival!!! These first few days getting to meet everyone on the trip were so fun and incredibly special.

Aix en Provence

being goofy!!

made a mega canoe!!

HIKING!!

TIPS!!

- I miss the food from prima pasta and pita pit everyday. eat there.
- **TALK TO THE FRENCH STUDENTS!! MAKE FRIENDS!!** It is so fun to talk and hang out with them, we even went to a bbq with students where they used baguettes as hot dog buns
- Take advantage of every little new experience! Go to the market! Explore town!

WEEKEND TRIPS

BARCELONA

Met some cool Australian lads in our hostel and toured the city with them!

There was such cool art and architecture to explore in the city

In Rome, we would literally just wander around and always found beautiful history-filled buildings we didn't know about before!

Explored Rome, Pompeii, and the Amalfi coast!

ITALY

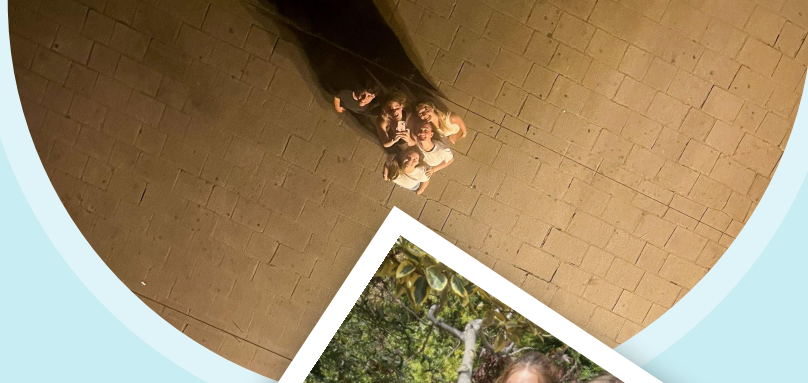

MARSEILLES

Spent time hanging out with everyone in the program! Made me so grateful for all of these new friendships!!

Last few days! Very sad!

No doubt that these were the best five weeks ever!!!

Thank you Paco!! :)

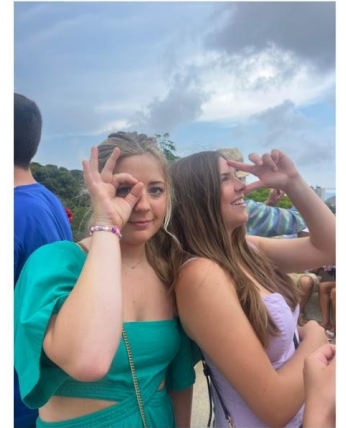

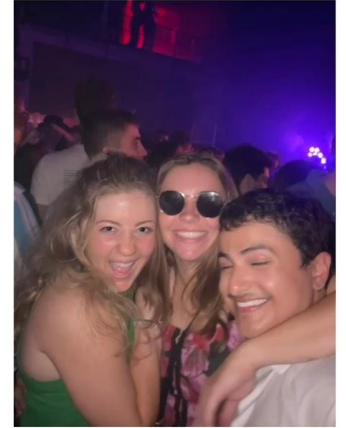

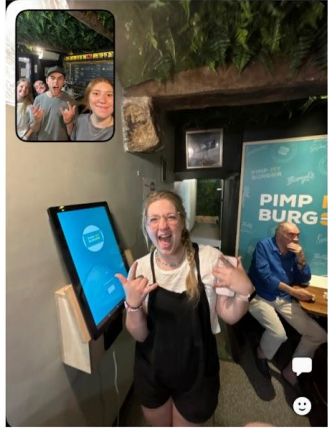

SILLY ABROAD!!
