

# Singapore

By: Jasmine Navarro

# Sentosa Island

- Amazing views
- Many activities to do even if you don't enjoy the beach
- The Skywalk was my favourite part

# Orchid Garden

- Wondered beautiful greenery with some cool friends
- Meet some cool animals
- The cool house was very cool

# Marina Bay

The fireworks show will be an event I will remember forever. Such a unique experience and the views were absolutely breathtaking. (No pictures were taken by me due to my phone being dead)

# Gardens by the Bay

- More plants
- Honestly loved how much greenery that is all over Singapore
- There are so many gardens and even in the everyday residential areas there is so many plants.

# Cooking Class

- Such a fun and unique experience
- I love cooking
- Our cooking teachers were patient, funny and helpful

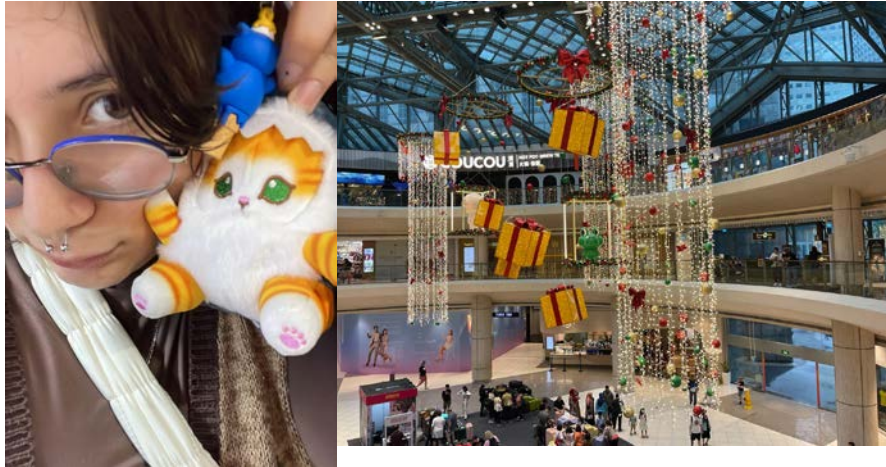

# Food

- Tried so many new foods and loved them all
- Food there is so amazing
- Burger king has a really good taro pie
- Chili Crab is now one of my favorite dishes

# Shopping

- Went to so many street markets and malls
- Spent too much money
- Side note: They have a lot of claw machines and they are fun but hard to win

# Overall Experience

- Singapore is such a beautiful place
- Loved how much care and forethought goes into their infrastructures
- Public transportation was efficient
- I did so much walking
