# Academic Coursework

## CVEN 423 Geomatics for Civil Engineering

### Prerequisites:

- CVEN 303 Civil Engineering Measurement

**OR**

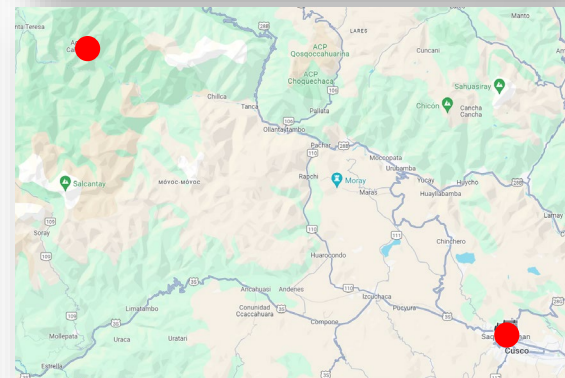

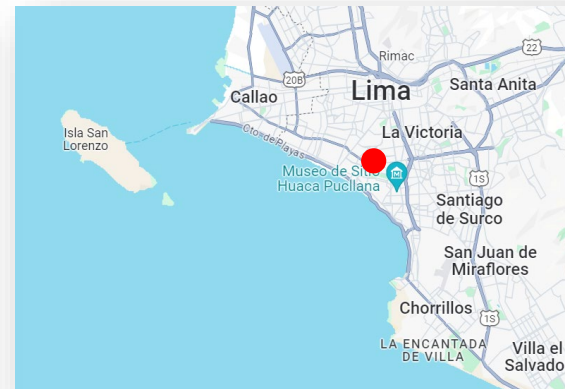

- CVEN 339 Water Resources Engineering
- You do not have to satisfy the prerequisites to get your application approved. You just need to be on track to satisfy them before the Spring 2024.

<https://www.aviancaenrevista.com/experiencias/lima-en-parante/>

CVEN 423 is **mandatory** Environmental Engineering and a technical elective for Civil Engineering.

# Where in the World?

# What is Included?

- **Four-day trip to Cuzco and Machu Picchu.**
- Hotel accommodation with breakfast included.
- Technical and cultural visits, and city tours.
- Class/meeting rooms.
- Internet access.
- Entrance fee and transportation to all program activities.
- Two or three dinners in gourmet restaurants.
- Limited number of meals.
- Onsite logistic support.

# Housing

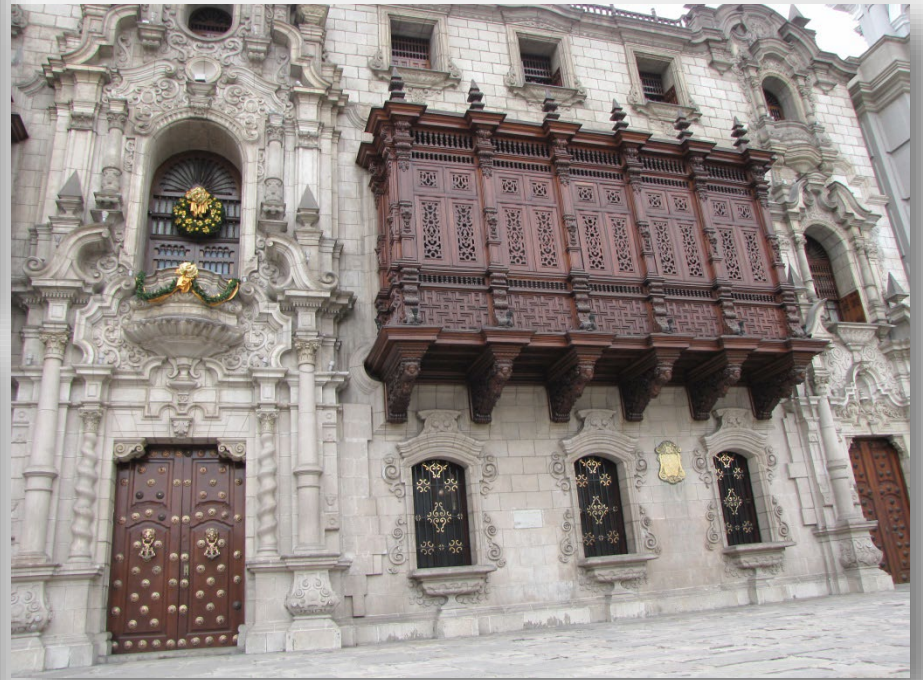

In Lima: NM HOTEL.

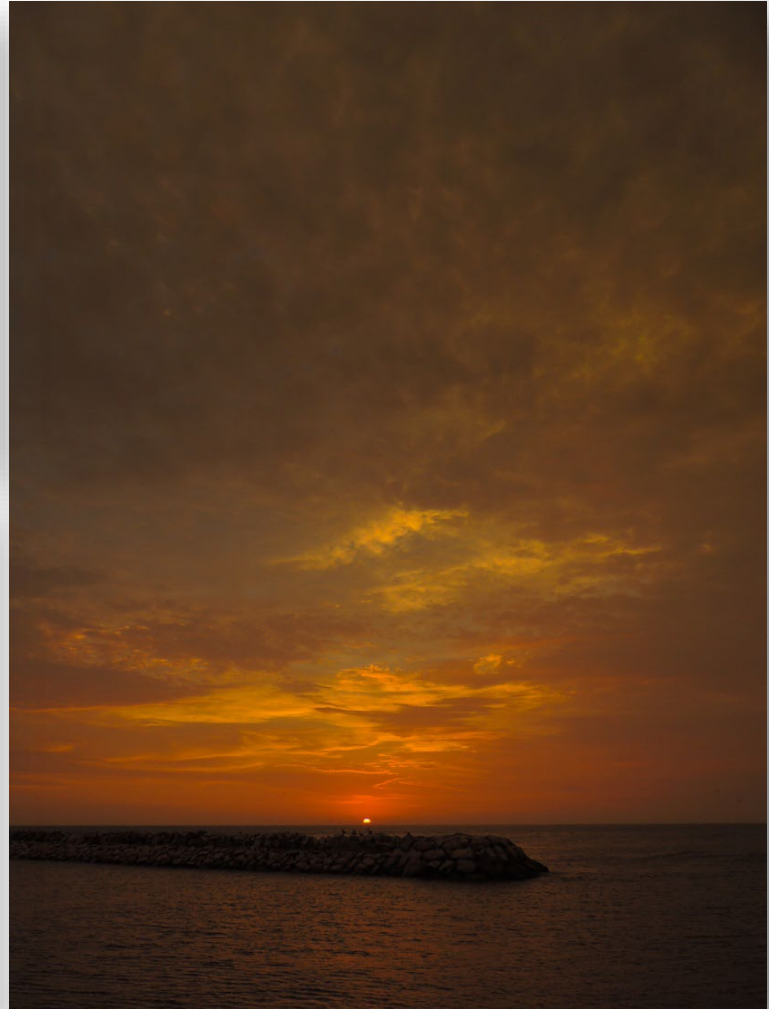

Cuzco: Casa Andina.

# Lima

# Lima

# Lima

<https://www.nytimes.com/2008/05/04/travel/04peru.html>

- People come from all over the world to surf in Peru.

# Cusco

# Machu Picchu

# Inca's Sacred Valley

# Paracas

The Chandelier, Sea Lions and Sand Boarding (not included).

# What am I Going to Do?

**PERUVIAN CEVICHE TAKES OVER UNESCO'S HERITAGE LIST**

<https://www.dreamstime.com/peruvian-woman-colorful-dress-dancing-festival-city-cuzco-peru-peruvian-woman-dancing-festival-image130284094>

<https://www.kiwilimonrecipes.com/features/peruvian-ceviche-takes-over-unesco-s-heritage-list>

# When considering cost ...

... look for:

- When? Wintermester. Leaves the summer free for **internships** and it is beach time in the southern hemisphere.
- Where? Lima, Cuzco and **Machu Picchu**.
- Am I going to be overwhelmed by coursework to the point it would interfere with my cultural experience? **Perfect balance between academic and cultural experience.**
