- Peru is one of the most beautiful places in the world with one of the most beautiful cultures in the world.
- The food is a phenomenon! From the fruit that tastes better there to the stellar restaurants we went to every bite was delicious.
- Life may be short but it is also insane how much you can do if you are spontaneous every day.
- ArcGIS Pro is cool and helpful.
- These are some of the best people I've ever met.

Thank You Paca, Cesar, Rodrigo, and TAMU for letting me experience this study abroad.
