

Peru Winter Study Abroad

Juan Vega • 2024-2025

Lima: Main place where we stayed and took class. A multitude of places to visit and things to do.

Cusco & Nearby Areas

Aguas Calientes y Machu Picchu

Ollantaytambo

Salineras de Maras

Moray

Best Food in the World:

Overall this Study Abroad was an amazing experience that immersed me in another culture and I ended up growing both as an engineer and as a person. Studying Arc GIS in Peru, as well as the planned excursions (and food :)), have left me with amazing memories that will last a lifetime.

GRACIAS!!
