Favorite memories

- Carnaval
- Playing basketball and volleyball at the courts
- Singing sessions and making songs for our dear friends (mostly with Sammy) #Gotosleep
- Singing for everyone and the ancient Incas at Machu Picchu
- Dance Class (Bianca and Seth are the best dancers)
- Playing 'I'm going on vacation' on the bus

Reflecting on the three weeks

- I went on this trip knowing only one person. I grew close with 24 of the best people and created some sweet sweet friendships
- Paco is actually so funny and sassy
- The food was amazing and cheaper than the US
- ARCGIS is useful
- This was the best experience ever
- I will be going back
